Dear colleague, dear friend,

This message, sent by the same law professionals who sponsored the [Manifesto](#) from Jurists in favor of a Referendum (Col·lectiu Praga, Associació Drets, and other members of the legal profession), is concerned with the immediate release from prison of the presidents of Assemblea Nacional Catalana and Òmnium Cultural, and the restoring of the rule of law in Catalonia.

If you agree with this new Manifesto, will you please sign it and give it the broadest diffusion.

Instructions:

1. Send an e-mail to eldretperlaconvivencia@gmail.com, with the subject “In support of Manifesto”, or words to that effect.
2. State your full name and profession or position (law professor, lawyer, public administration attorney, notary public, property registrar, etc.).
